I have examined this Amended Map as provided for in Article 406.00 of the Yavapai County Subdivision Regulations and find that the only changes are those made to correct a technical error to the original subdivision map (refer to record reference) as certified to by G. Michael Haywood.

This signature does not change or effect the warning and disclaimer on the final plat for Millsite Village as recorded in Book 26 of Maps and Plats, Pages 67, 68 and 69, nor should it be construed as an acceptance of the subdivision roads.
